

## The Probus Club of Newmarket Inc.

Established in 2005, The Probus Club of Newmarket brings together like-minded retired and semi-retired men and women in a spirit of fellowship, friendship and fun within a variety of settings.

We meet on the second Wednesday of each month from 10.00 am till noon at the Red Hill Community Sports Club, 22 Fulcher Road, Red Hill. There are no meetings in December or January.

Our meetings include a small amount of club business, an excellent morning tea with considerable time for socialising and a guest speaker who discusses a topic of interest to the members. Past topics have included the Life of Doris Day, Assistance Dogs, Downsizing and the Berghofer Research Institute. Afterwards, some members take the opportunity to have lunch at the Broncos Club next door.

A club activity is usually organised for the fourth Wednesday of each month. In the past, these have included bus excursions to places of interest outside the local area, picnics, theatre visits, mystery morning teas and museum exhibitions.

Our active members also have the opportunity to engage in a number of activities between meetings. These include a Book Club, a Walking Group and Sunday Lunch. Members are also encouraged to organise a social event between themselves under the umbrella of Probussouth Pacific.

If you are interested in attending a meeting or joining, come along and join us in fellowship, friendship and fun.
