

The Probus Club of Albany Creek Inc.

Established in 1998, the Probus Club of Albany Creek has as its membership retired and semi-retired men and women who meet in a spirit of fellowship, friendship and fun within a variety of settings.

We meet on the **first Thursday** of each month from 10.00 am till noon at the Aspley Hornets Sports Club, 50 Graham Road, Carseldine. There is no meeting in January.

Our meetings begin with a small amount of club business, a Five-Minute Speaker (usually one of our own members), an excellent morning tea with considerable time for general fellowship and just plain chatting. We then welcome a guest speaker who discusses a topic of interest to the members. In the past, topics have ranged from "Mysteries of the Deep", "Eye health by a noted Optometrist" and an address by one of our noted members Everal Compton. Afterwards, some members take the opportunity to have lunch at the Club. This has proven increasingly popular.

Our Club has a number of groups who meet on a regular basis: "Fish on Line" a popular outing with lots of tall stories, a Writers Group, a Garden Group and Mahjong where players deal with the mysteries of this ancient game. We always celebrate birthdays and anniversaries, with milestone birthdays often involving a cake.

Our group activities are organised outside of the normal monthly meetings. We meet regularly for morning teas and meals at various venues. Our activity program is now undergoing a strong resurgence post COVID and we have exciting events planned for the rest of the year.

If you are interested in finding out more, please come along and join us in a meeting or two in fellowship, friendship and fun and not the least even learn a thing or two.

For further details, send an email to Secretary Greg Early on early.gregory1@gmail.com or ring him on 0407960588.
