

The Probus Club of Indooroopilly Inc

The Probus Club of Indooroopilly provides opportunities for fun, friendship and fellowship for active retired and semi-retired people. We have around ninety-five members, both men and women, and we welcome anyone looking to join a social group of like-minded people.

Monthly Meetings

The club meets at 10am on the first Tuesday of each month at Boulevard Gardens, 284 Witton Road, Indooroopilly. After a short meeting when club business is taken care of, a tasty morning tea is served, followed by an interesting and entertaining guest speaker. Topics covered by the guest speakers are many and varied to cater for everyone's interests. The meeting finishes around 11.45am, after which there is the opportunity to join other members for lunch at a local café or restaurant.

Special Interest Groups

In between the monthly meetings our members can participate in a range of special interest group activities such as Mah-jong, hiking and bush walking, a walk, coffee and chat morning and dining out. A camera club, photographic competitions and armchair travellers are held in conjunction with other Probus clubs in the area. Suggestions for new special interest groups are always welcomed.

Tours and Outings

Our very active Tours and Outings team organises a day or half day outing each month, with destinations catering for all tastes. This might take the form of a bus trip, a boat trip or a visit to an interesting venue with a guided tour, and it is always a great day out. Theatre visits are also planned. Longer trips of up to a week further afield are arranged annually.

For more information, or to enquire about joining:

Please email the club President at presidentindroprobus@outlook.com, or go to our website www.probusclubindro.com

We look forward to hearing from you.
