

The Alexandra Headland Mixed Probus Club Inc. believes in the motto “retire from work, but not from life” and, as you can see from the photograph above of a recent Christmas event, we certainly have a lively bunch of members who love to interact and participate in all the activities.

I wish I could put photographs of everything, but rest assured that we have lots of fun, friendship and fellowship in our club and we make everyone very welcome and feel at home.

Our activities cover: Cruises, short trips, long trips, day trips, mini golf, boat & fishing cruises, games mornings, lunches, barbecues, wine tasting afternoons, a book club group, a weekly walking group on Fridays, theatre outings, Melbourne Cup celebrations, and guess who’s coming to morning tea (where several members host a morning tea of about 4-6 people in their homes – a great way to get to know members on a more personal level). Of course our Activities’ Organisers are always open to suggestions too and are very accommodating.

We have great Guest Speakers too - after our general meeting.

You will never be at a loss to do something with our club that’s for sure. Come along and meet us. You won’t regret it.
