

PROBUS CLUB OF MISSION BEACH-EL ARISH INC

Established 35 years ago, we are a mixed Club of about 30 members and meet on the first Wednesday of each month except December - when we have our Christmas Party - and January recess). Membership is open to retired or semi-retired people.

We meet at the South Mission Beach Community Hall at 9.30am. Following the opening of the meeting and an interesting talk by a Guest Speaker, we break for morning tea and fellowship before completing the business of the meeting. Those who wish can then adjourn to a local restaurant for lunch.

Activities during the month include morning tea on the second Wednesday at different local cafes; a games afternoon on the 3rd Wednesday, picnics at the beach and lunch on the last Friday at a local eatery.

Other activities include day trips away, visits to nearby Clubs in Innisfail and Ingham for special celebrations and Christmas Lunches. A combined meeting of our three Clubs is held once each year.

New members and members visiting from other Clubs are warmly welcomed. It is suggested that prospective members attend a General Meeting and a couple of activities before making an application to join our friendly Club.
