Our club invites anyone retired or semi- retired to join. At our monthly meetings there is a lot of fun to be had. Apart from the business side, a member puts a smile on everyone's faces by telling us some jokes. We have a quiz to see who is the smartest for the day. Always a very interesting guest speaker from varying community groups. Our morning tea has become a great time for many members to meet and become good friends in the future.

Below is a list of our many activities, which enable members to chose from or participate in all of them. We are catering for various interests.

- Morning Social Golf twice a month.
- Breakfast get-together first Sunday of the month at different venues.
- Tours/Outings can be a day trip to a local place of interest, on the first Tuesday of the month or 3-day away adventure.
- Board/Card Games: Once a month.
- Mah-jong: Once a week.
- Croquet: Twice a month on a Monday Afternoon.
- Walk/Talk: Leisurely walk and a catch up over a cup of coffee.
