**Good friends
Great times
New adventures**

A Club for fun, friendship and fellowship for retirees and semi-retirees who are looking to participate more fully in life. We have a membership of 110 and are actively seeking new members.

Our members come from the western suburbs of Brisbane, including Kenmore (main feeder area) and surrounding suburbs. We also have members from Toowong and as far away as East Brisbane.

We meet monthly on the first Monday of each month in the **Grand Ballroom** at the **Jindalee Hotel**, Jindalee from 9:30 for a 9:45am start to midday, and you are most welcome to join us at our meeting where we plan activities, listen to fascinating speakers and enjoy the company of fellow Probians as well as share in a delicious morning tea followed by a *Mix'n'Mingle Luncheon* at the Hotel.

We have regular activities including a monthly excursion which includes a bus/train day trip to places of interest, an outing such as a visit to a historical location or place of interest. We plan on at least one multi-day excursion each year such as a 4-day bus tour to Lightning Ridge.

Some of our other regular monthly activities include a Dinner and Movie night, a Book Club, a Picnic in the Park, a Writers Ink Club, a Coffee and Chat morning, a Games group (including Mahjong and Canasta), a Dining out group and a combined Photography Group.

Visitors are welcome – please email the contact above for catering purposes.
