

## Welcome

Welcome to the Probus Club of Beaudesert Inc., a mixed club for men and women in the Scenic Rim in Queensland, an hour south of Brisbane and an hour inland from the Gold Coast.

The Club is celebrating our 40<sup>th</sup> birthday in 2024.

We welcome prospective members.

## Meetings

Members meet from 10:00 am to 12:00 pm on the first Wednesday of each month at The Club, 23 – 25 William Street, Beaudesert.

After a short meeting, members enjoy fellowship over morning tea, followed by a guest speaker. Many members choose to socialise after the meeting by having lunch together at the Club.

## Guest speakers

Guest speakers address members at our monthly meetings for 30 – 45 minutes (including question time) on a variety of topics. Previous topics included snake catching, Africa, living in the “back of beyond” in remote Queensland, and the SES. We have some interesting and entertaining speakers booked for upcoming meetings.

## Outings

Day tours, extended trips and coffee mornings are organised throughout the year. Members have been to Government House, Currumbin Wildlife Park, Riverfire, Templin Historical Village, a Brisbane River Cruise and Esk Bushbashers.

Extended tours have been to Grafton for the Jacaranda Festival and Warwick for a memorable trip on the Southern Downs Steam Train from Warwick to Wallangarra.

As a group, members also attend productions at The Centre, Beaudesert. Shows have included A Taste of Ireland and the Kings of Country Rock Tour.
