

VICTORIA POINT PROBUS CLUB

Our Probud club has been active now for nearly 2 years, even though we are a relatively new club we have **50** active members and are growing. A club where you can discover new interests and unlimited possibilities in retirement and of course meet new people.

We meet every 3rd Tuesday of the month, starting at 10.00am
Located at the **Victoria Point Bowls and Recreation Club**, 3 Poinciana Avenue Victoria Point.
Our monthly meeting has the standard formalities mixed with a lot of social interaction.

The meeting also includes Interesting and informative Guest Speakers, morning tea and information about upcoming club activities.

After each meeting there is an invitation to lunch at a local club, hotel or restaurant, also picnic lunches where there is easy access to parks at Wilson Esplanade Park or Thompson beach which have all the facilities to enjoy your lunch.

Also, every 1st Wednesday of the month is an organised dinner at a local club, hotel or restaurant.
There are also:
