

Fun and Friendship

Jindalee Probud Club

has been active in the Centenary suburbs area since 1991, providing friendly social activities, stimulating guest speakers and interesting outings for members. We are not a fund-raising organization.

We are a small friendly inclusive group of retired and semi-retired men and women who enjoy activities in each other's company, and we welcome new members at any time.

Our monthly general meetings are held at the Jindalee Bowls Club on the second Tuesday of the month at 10.00am, with morning tea before the meeting at 10.30, usually featuring an interesting guest speaker or one of our own members presenting a "Member's Spot".

Regular lunches and coffee mornings are held at various venues around the local area. Monthly excursions venture further afield into the city, coast or countryside to places of particular interest.

Our December Christmas party replaces a formal general meeting for that month, always lots of fun ending our year on a high note.

Longer excursions further afield over several days are planned each year. The most recent bus trip of five days was to Macksville on the north coast of NSW, visiting various locations each day from our motel accommodation.
