PROBUS is an organization with over 4,000 clubs worldwide and over 33,000 members!

In Australia alone, there are over 1300 clubs. Our members are active, interested individuals who retired or semi-retired. Membership in a PROBUS Club offers individuals opportunities to socialize, develop new skills and to contribute in any way they may choose.

The PROBUS Club of Kenmore Gardens began in 2001. Our membership is mainly from the Western Suburbs of Brisbane and includes members from Toowong and as far away as East Brisbane.

What We Offer!

In addition to our monthly meetings, where members can socialize over coffee, a changing selection of guest speakers provide opportunities to learn new things.

As well, our Committee plans an active program designed to appeal to a broad range of interests. Special Interest Groups such as our Book Club (Bookworms Group), Games Group, Dinner and Movie Night Group, the Photography Group, the Travelers Group, Coffee and Chat Morning Group and the Dining Out Group, meet regularly.

Throughout the year we also enjoy a variety of monthly events, such as Outings, Day Trips, Multi-day Trips, and much more. Something's always going on!

We encourage everyone to get involved as a convenor or participant.

PROBUS' motto is

GET CONNECTED! ... STAY CONNECTED!

Come And Do Just That!

Join Us!

The PROBUS Club of Kenmore Gardens holds its meetings on the first Monday of each month at the Grand Ballroom, Jindalee Hotel.

We register at 9:30am, for a 9:45am start of our business meeting until 10:30am, then break for coffee until 11:00am. Following our social time, we regularly feature an interesting speaker. We then break at mid-day and partake in a Mix'n'Mingle luncheon at the Jindalee Hotel.

If you would like to attend a meeting or need more information about our Club, please contact pckg.publicity@gmail.com
