

Probud Club of Kenmore Millennium Inc.

Chartered in 1999, the membership is predominantly retirees who enjoy the Fellowship, Friendship and Fun that Probud provides. Our members come from Australia and a number of other overseas countries.

We meet on the end Tuesday of each month at the Sherwood Magpies AFL Club, 41 Chelmer St, East., Chelmer at 9am for 9.30am start. We finish around 12 noon.

The first period of each meeting deals with various Reports and other business. This is then followed by morning tea. The second period is provided by a Guest Speaker on a wide range of interesting and informative topics.

Our members are engaged in a number of monthly Activities that provide for great fellowship and fun. These include Mahjong, Croquet, Men's Coffee Morning and Armchair Traveller (a District monthly event).

We provide for a monthly Outing within the Brisbane metropolitan area and other closely located areas. The timing of these events tends to be between 9am and 3pm.

We also arrange of Tours within Australia or overseas for a duration 5-6 days. These are generally planned by a tour entity to maximise the enjoyment. Our most recent tour was to the NSW Hunter Valley and next year are proposing a tour to the Great Ocean Rd in Victoria.

Our current membership of 54 also joins with other Probud Clubs in our locality in a further range of activities and events. This provides for a further enhancement of contact with other retirees.

You are very welcome to join our vibrant club by contacting
