Introduction:

From its humble beginnings in November 1998, with just 27 prospective members, **Redcliffe City Mixed Probus Club** has grown to become one Queensland's largest and most active Probus clubs.

Our Venue:

Redcliffe City Mixed Probus Club meets the first Tuesday of each month at the Moreton Bay Boat Club in Scarborough, Queensland. Meetings include a light Morning Tea, an interesting guest speaker and a lucky door prize ticket.

Many members choose to stay for lunch. The Boat Club Restaurant and Bar offer an extensive range of meals and beverages with tables overlooking the beautiful marina.
